Legend

Designated evacuation site, etc.

○ Available for flood disaster

○ Unavailable for flood disaster

○ Available depending on the disaster level (see the list)

City Hall, General Branch Office, Branch Office

Police agency

Firefighting agency

Flood-prone area at risk of house collapse, etc. (flood flow)

Flood-prone area at risk of house collapse, etc. (bank erosion)

Expected inundation height

Area where prompt evacuation is required

Area where inundation above or below floor level is expected

Sediment disaster alert area, etc.

Site to be covered by disaster surveys

Underpass or other inundation hazard point

Road inundation hazard point

Area not subject to inundation simulation near Nagatsuraura

Gauging station

The risk management type water level indicator

CCTV camera

Area where prompt evacuation is required

Area where inundation above or below floor level is expected

Area not subject to inundation simulation near Nagatsuraura

Facilities used by persons requiring special care

Please refer to the website version of the hazard map for information on Facilities used by persons requiring special care.
